

Lissmac SBM-L 1000 G1S2

Product code	92-000433
Manufacturer	Lissmac
Model	SBM-L 1000 G1S2
Type	Deburring machine
Condition	DEMO MACHINE
Control	Siemens S7
Year of manuf.	

Working area

Working width max.	1,000 mm
Workable material thickness	0.5 - 50 mm
Load	300 kg / rm
infinitely variable feed speed	0 - 4 m/min (Infinitely adjustable)

Dimensions

dimensions (W/D/H)	2,800 x 1,500 x 1,800 mm
weight	2,500

Connection values

Voltage	400 V / 50 Hz
total current consumption	37.5 A
total power	21.5 kW
insulation class	IP 42

Equipment / Accesories

Workpiece deburring	On both sides
Sheet thickness setting	Elektric
Tool setting	Elektric
Tool wear compensation	Automatic
sheet thickness measurement	Automatic
Miscellaneous	Barcode scanner
