

Schroeder PowerBend Universal

Product code	92-000449
Manufacturer	Schroeder
Model	PowerBend Universal
Type	Swivel bending machine
Condition	New machine
Control	Sonstige Classic Bend
Year of manuf.	2022

Control

Control
Screen
add. function

Classic Bend
10.1 Zoll swiveling
Radius Step Bending function

Technical data

Effective length
Sheet thickness (400 N/mm²)
Machine length
Machine height
Machine weight

2,040 mm - 4,040 mm
4.0 mm - 2.5 mm
3,970 mm - 5,970 mm
2,163 mm
5,800 kg - 8,080 kg

Upper beam

Drive
Hub
Upper flange geometry
Tool clamping

2x2.2 kW
350 mm
48°
manual (WZS 020)

Bending beam

Drive
Manual folding beam adjustment
Tool clamping

2x2,2 kW
manual 80 mm
manual (WZS 15000/15100)

Bottom beam

Bottom beam blade
Minimum stop

one-piece 1100 N/mm², hardened surfaces
10 mm

Back gauge

Motorized back gauge
Gauge finger
Supporting table
Rotary ball spindle

motor-driven till 1,000 mm
pneumatic lowerable
with balls
+/- 0,1 mm
