

Schroeder PowerBend Professional 3200

Product code	92-000450
Manufacturer	Schroeder
Model	PowerBend Professional 3200
Type	Swivel bending machine
Condition	New machine
Control	Sonstige POS Professional
Year of manuf.	2023

Control

Control
Maintenance
add. function

POS 2000 Professional
remote maintenance
Radius Step Bending function

Technical data

Effective length
Sheet thickness (400 N/mm²)
Machine weight

3,240 mm
3.0 mm
6,700 kg

Upper beam

Drive
Hub
Upper flange geometry
Tool clamping

2x2.2kW
350 mm
48°
hydraulic (WZS 2000)

Bending beam

Drive
Manual folding beam adjustment
Tool clamping
Central crowning

2x2,2 kW
motor-driven 150 mm
pneumatically (WZS 15100)
motor-controlled

Bottom beam

Bottom beam
Minimum stop

one-piece 1,100 N/mm², hardened surfaces
10 mm

Back gauge

Supporting table
Gauge finger
Supporting table
Rotary ball spindle

till 1,600 mm
pneumatic lowerable
with balls
+/- 0,1 mm
