

# Junker JUNICOR 3L 15

Product code	<b>92-000538</b>
Manufacturer	<b>Junker</b>
Model	<b>JUNICOR 3L 15</b>
Type	<b>Cylindrical grinding machine</b>
Condition	<b>DEMO MACHINE</b>
Control	<b>Fanuc 31i</b>
Year of manuf.	<b>2024</b>

## Working area

Swing diameter	450 mm
Clamping length	1,800 mm
Grinding length	1,600 mm
Workpiece weight max.	250 kg

## Grinding spindle

Grinding wheel diameter max.	508/610mm
Grinding wheel motor power	15 kW
Type	belt drive

## Workpiece spindle

Speed	0 - 500 1/min
Drive power	4kW
Workpiece spindle holder	MT5 + short taper

## Tailstock

Mounting tailstock quill	NB75 / MT2 / MT4 / MT5
Stroke length tailstock quill	50-18 mm

## Automation

Loading and unloading	Manual or automatic
-----------------------	---------------------

## Equipment / Accessories

Axial adjustment of the workpiece headstock	automatic
Axial adjustment tailstock	automatic
Workpiece measurement	diameter measuring system
Positioning	switching longitudinal positioner
