

Junker JUNICOR 3L 15

Product code	92-000538
Manufacturer	Junker
Model	JUNICOR 3L 15
Type	Cylindrical grinding machine
Condition	DEMO MACHINE
Control	Fanuc 31i
Year of manuf.	2024

Working area

Swing diameter	450 mm
Clamping length	1,800 mm
Grinding length	1,600 mm
Workpiece weight max.	250 kg

Grinding spindle

Grinding wheel diameter max.	508/610mm
Grinding wheel motor power	15 kW
Type	belt drive

Workpiece spindle

Speed	0 - 500 1/min
Drive power	4kW
Workpiece spindle holder	MT5 + short taper

Tailstock

Mounting tailstock quill	NB75 / MT2 / MT4 / MT5
Stroke length tailstock quill	50-18 mm

Automation

Loading and unloading	Manual or automatic
-----------------------	---------------------

Equipment / Accessories

Axial adjustment of the workpiece headstock	automatic
Axial adjustment tailstock	automatic
Workpiece measurement	diameter measuring system
Positioning	switching longitudinal positioner
