

Bodor I6 mit 6 kW

Product code	92-000564
Manufacturer	Bodor
Model	I6 mit 6 kW
Type	Laser cutting machine
Condition	DEMO MACHINE
Control	Sonstige Bodor
Year of manuf.	2024

Technical data

Power laser max.	6kW
Cutting area	2,000 x 1,000 mm
Sheet thickness carbon steel max.	25 mm
Sheet thickness stainless steel max.	20 mm
Workpiece weight max.	250 kg

Equipment

BodorPower laser source 6 kW
BodorGenius laser cutting head with autofocus
BodorThinker 3.0 control system
Extendable machine table with 250kg load
Automatic layout of the remaining material
21.5 inch monitor with touch function
Automatic adjustment of cutting gas pressure
Active anti-collision function
Intelligent vibration protection
Water cooling
Suction system
Wear parts set
