

GROB G350a

| | |
|----------------|--------------------------------|
| Product code | 89-001352 |
| Manufacturer | GROB |
| Model | G350a |
| Type | 5-Axis machining center |
| Condition | Used machine |
| Control | Siemens 840 Dsl |
| Year of manuf. | 2022 |

In general

Control system
Traverse path X/Y/Z

Siemens 840 Dsl - GROB4Pilot
600/770/805 mm

Spindle

Technology
Speed
Max. power
Max. torque
Tool holder

Motorised spindle
16,000 rpm
approx. 32 kW
approx. 206 Nm
HSK-63

NC swivel table

A-axis
C-axis
Measuring systems
Clamping surface
Max. table load
Workpiece clamping system

-185°/+45°
360°
Direct
400 x400 mm
approx. 300 kg
4x fluid connection

Tool magazine

Technology
Number of stations
Max. tool length

magazine
50
365 mm

Equipment

Measuring systems
Chip removal
Coolant supply
Workpiece measurement
Tool breakage monitoring
Automation

Direct in all axes
Chip conveyor
IKZ system, 40 bar
Infrared measuring probe
Electromechanical
Pallet changer with set-up stations
