

Timesavers 22 Serie 600 WRBW

Product code	92-000582
Manufacturer	Timesavers
Model	22 Serie 600 WRBW
Type	Deburring machine
Condition	DEMO MACHINE
Control	Sonstige
Year of manuf.	2022

Working area

Max. Working width	600 mm
Table opening	0.8 - 100 mm
Min workpiece dimensions for vacuum	50x50 mm
Sanding belt frequency-controlled	5-15 m/sec
Brush speed frequency-controlled	6-17 m/sec
Feed speed frequency-controlled	0.5 -8 m/min
Total power (without options)	12 kW / 32A
Required air pressure	6 bar
Dimensions	2355 x 1322 x2164 mm
Weight of the machine	approx. 1800 kg

Extraction unit

Wet separator extraction unit	Series B 2000
Motor	3Kw, 400V 50 Hz, IE3
Max. Air volume	approx. 4,200 m³/h
Max. Negative pressure	approx. 3,100 Pa
Filling	automatic via solenoid valve
Dimensions	850 x 850 x 3,315 mm
Atex	Zone 2
Filter	with HEPA afterfilter
Connection	with pipework for extraction

Equipment / Accessories

Carpet cleaning brush	Rotating under the transport carpet
Front table	Extended front table
